❄ Season's Greetings!

Can you solve using ONLY mental math? (++ ++)

$$\text{(mitten)} + \text{(snowman)} = 45$$

$$\text{(mitten)} + \text{(mug)} = 30$$

$$4 \times \text{(mug)} = \text{(snowman)}$$

$$\text{(snowman)} + \text{(mitten)} \div \text{(mug)} = \underline{\quad}$$
